

In re MICHELSON ET AL., Application No. 09/984,201  
Amendment B

**REMARKS**

The final Office action dated July 27, 2005, and the references cited have been fully considered. In response, please enter the amendments and consider the remarks. Reconsideration and/or further prosecution of the application is respectfully requested.

As this matter has been pending for a long duration, Applicants have elected to "take the allowed claims" and allow the application to issue. As the only amendments presented herein are to cancel claims such that only allowed claims remain pending after entering of this amendment, this amendment should be entered even though the matter is after final.

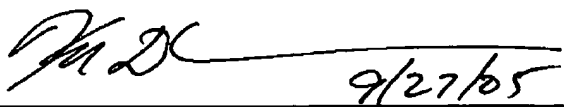

In view of the above remarks and for at least the reasons presented in the Office action and previous papers submitted in this matter, all pending claims are believed to be allowable over the prior art of record, the application is considered in good and proper form for allowance, and the Office is respectfully requested to issue a timely Notice of allowance in this case. If, in the opinion of the Office, a telephone conference would expedite the prosecution of the subject application, the Office is invited to call the undersigned attorney.

Applicants believe that no extension of time is required; although, any extension of time that is actually due is hereby petitioned/requested, and the Commissioner is hereby authorized to charge Deposit Account No. 501430 for any fee that may be due in connection with such extension of time.

Respectfully submitted,  
The Law Office of Kirk D. Williams
